Navy Scores of C. U. Annapolis, Md., Sept. 29. — In a practice scrimmage here this afternoon, during which all the strict rules were not observed and while coaches of both sides were allowed on the field and directed their team's work, the Navy scored one touchdown on Catholic University of Washington and failed to kick goals. The showing of the midles against their much lighter appearants was not regarded as an opponents was not regarded as en-couraging. The touchdown was made in the first period by Westphal, the Navy fullback.

W. Lasell was in the limelight with his young trotters at Goshen.

Boston, Sept. 29. — The Philadel phias today won the National eLague championship for 1915, with Alexander pitching a one-hit game against the present title-fiolding Braves. The score was five runs to none. The defeat of the Braves makes it possible for the league leaders to lose all their remaining games and still have a clear title to first place.

Among the spectators of the game were some of the Boston American players, the probable competitors of Philadelphia in the world series. Manager Carrigan of the Red Sox watched the play carefully. "It seems to be a well-rounded combination, but I'm sure we can beat them," he remarked during the game.

we can beat them," he remarked during the game.

It was "Patsy Moran Day" at Braves Field and several thousand persons turned out especially to honor the visiting manager. Most of them came from Fitchburg, his home town. Among those were David I. Walsh, governor of the state, who presented Moran with a floral horseshoe.

The new champions clinched their honors in the first inning. Bancroft's single to right and Rudoiph's pass to Paskedt. was followed by Cravath's home run, which brought the latter's home run record to 23. A triple by Paskert sent abother run in in the fourth and Cravath cracked a double to left and Luderus a single there for the fifth run in the seventh ming.

While other people have been bemoaning the disruption of such a once

gathering the matreial which will

Connie is making predictions and the most striking one is that in two years he will have a greater team than the one that was broken up. Within two weeks, he says, the baseball public will have an opportunity of seeing this new material on the diamond. Aside from the pitchers there will be few of the present members of the team as the basis of the rehabilitated athietics. In discussing the baseball situation, he says:

"I am not crying for mercy or making any plea for patronage for the Athietic club, nor do I believe that I have made a mistake in tearing apart the greatest baseball machine of the day. I maintain that I did right and will again say that I will have a greater team in two years than the greatest baseball machine of the one I broke up.

"We are losing ball games every day and probably will finish the poorest of years, but I have made considerable progress along the lines of reconstruction. If the fans will look back to the look of the low was complete, and then the team came like lighting. My progress must be slow, because the only part that I now have I am banking on for my new machine are pitchera, and they don't know anything yet and cannot be expected to show until next season.

"I will have almost an entirely new the season.

part of the new machine. My best prospects will be here in a short time, and I think the fans will be satisfied. "The poor attendance has not wor-ried us in the least, because the least

ried us in the least, because the least attention we attract right now the better it will be for the team. I am convinced that the fans will suddenly awaken to the fact along about the middle of next season, and then they will be satisfied that I have done the right thing.

"I have not seen that I have made a serious mistake. In fact, I am more convinced than ever that I did exactly right. I made the remark last winter that I did not think the Athletics as they finished the 1914 season could repeat in the American league, and after what I have seen of the other teams I am sure that I was not wrong. My 1914 team with its 1913 spirit could have won pennants for several years, but with the spirit that prevailed in 1914 it could not have finished better than fourth this year."

COFFEY ANXIOUS TO

ACQUIRE VICTORIES. Dublin Giant Has Wonderful Punch and Science.

Big Jim Coffey has been rather heavyweights on the bush league cir-cuit. Last week he stopped Jack Reed in three rounds and on Tuesday night Jack Driscoll took the count also in round three. Neither of these fellows had the slightest chance to

extend the big Irishman.

It is doubtful whether bouts of this kind are of any real benefit to a man who is supposed to be preparing himself for a battle with the champion of his class. No doubt it is a good thing for him to acquire the winning habit in order to beister up confidence in himself. On the other hand, when he meets a good man the difference will

storm without loss of form is the surest indication of "class." There are pienty of fighters who do well enough as long as they are winning, but the man who can take a damag-ing blow without losing his head is a rare exception. Because he possesses this trait Coffey must be taken seri-ously until he has been decisively de-feated.

Lawn Tennis Tournament at Longwood Cricket Club.

Boston, Sept. 27.—Many of the leading women players of the country competed in the opening rounds of the lawn tennis tournament for women at the Longwood Cricket club today. Miss Molls Bjurstedt of Norway, the present national champion, came through the loss of a set, although Miss Marion Homans of Boston caught the champion napping in the first round and reeled off four games of the second set. Two former national titleholders, Mrs. George W. Wightman and Miss Evelyn Sears, also came through the second round successfully. The winner of the tournament will play Miss Edith Rotch of Boston, present holder of the challeing cup, for possession of the trophy for next year.
